ABOUT CHESAPEAKE ARTS CENTER

Opened to the public in January 2001, Chesapeake Arts Center (CAC) is a multidisciplinary arts center devoted to **building community through creativity** in our region. CAC's mission is to "cultivate and deliver innovative arts and education programs that inspire joy, creativity, and collaboration within our community." CAC served nearly 40,000 visitors in FY22 through more than 1,000 creative arts experiences ranging from performances and art classes to exhibits and community events. Proceeds from "Chip in for the Arts" help fund all our programs, including affordable and free arts activities for at-risk students and families in the greater Brooklyn Park region. We thank you for your generous support!
